

(9). TITLE:- RIDE 'EM COWBOYS!

Picture. :- Here she comes ! Bucking away like a good 'un !
Who-op ! he's off ! And so's his steed ! Steady lass, steady!

Ow ! look at this chap behind the horns of a dilemma ! -
or rather, he was ! He's a goer !

You've heard about this sort of chap-before ! Fast and
frisky with no scruples when it comes to gate crashing !
He likes to keep his hind hoofs up !

Here's a big fellow who was surely born on a switchback !
Oop - ah ! Oop-ah ! Oop-ah ! Zonk ! Another fallen star !

He's a rider ! - he was ! His mount's setting out for
home !

The most hardened in the crowd --

--thrilled to these high lights of the Rodeo. This chap
sticks it jolly well, but even he - ow ! - bites the dust !

Here's another, getting a regular "Martini shake-up",
but it's soon OVER ! Who wouldn't be a Rodeo artiste ?
