(9). TITLE.:- BLACK SHIRTS REVIEW.

Picture.:- It's an impressive sight ! Tens of thousands of "Black Shirts" gathered to receive a new flag from their leader, Signor Mussolini. It is a wonderful demonstration of how a country --

--can, and will, follow a man who is strong - really strong - and has the interests of his country at heart. Il Duce is presenting a new banner --

--to the Legions. After the flag has been blessed, Signor Mussolini --

--addresses the assembled multitude, stirring them - as only he can --

--do - to great heights of patriotic fervour. It's wonderful how they respond to the magnetism of --

--their leader. A very, very expressive salute with daggers greets --

--the words of the great man, of whom the worst that --

--can be said, is that he is a one hundred-per-cent patriot. The march part of the Fascisti brings to conclusion one of those striking meetings which foster patriotism in Italy.

Signor Mussolini takes the salute in his impressive way. In addition to --

--being the acknowledged leader of Fascism, he is Premier of Italy, and Minister of --

--the Interior. This particular review is a --

--splendid demonstration of how the "Black Shirts" honour their great leader, Signor Benito Mussolini.
