TITLE.:- WINTER SPORT IN SWITZERLAND.

Picture.:- This great ski-jumping contest affords many a thrill to those who can afford a winter holiday in sunny Switzerland, and, for that matter, to many who can't afford one, - but go, nevertheless ! It's great stuff, --

--this ski-jumping ! Look at this chap ! Down the run he comes - whoo-ooop ! - ah ! - He makes a beautiful landing, and a mound of snow helps to put a brake on.

Here comes another one ! Look ! Oosh ! Zing ! A good jump - and a long, long run away into the distance. A jolly fine effort !

It's not so easy as it looks ! Oo-ooop ! Lovely ! Couldn't have been better if he'd been running on rails.

Here's another ! He has a splendid run down ! Watch him ! - er - Up ! - Over ! - Ouch !, Over again! I told you it wasn't as easy as it looks.

SUB-TITLE.:- SKATING.

Here's a couple enjoying the whirl of life ! Round, and round, and round ! That's the stuff ! And its much --

--appreciated by the onlookers in the stands. Then we see --

--a topping spin by a giddy miss ! Or she should be giddy, if she isn't ! Thank you !

Now "Spotted Dick" does his bit ! Fancy having to control four feet with skates on ! Two are often too many.

Yes, there's plenty of fun in Switzerland, just now!
