

TITLE.:- MARSHAL JOFFRE.

(3).

Picture.:- The people knew that the end was near. Opposite the St. Jean de Dieu hospital they waited, hour after hour, while the --

--sands of life slowly ebbed away. The grand old soldier's last fight --

--can only be described as magnificent. Here is General Gouraud, the Military Governor of Paris, telling the press-men the latest news --

--of the losing battle being fought within the --

--hospital. There was not one man or woman in the whole crowd but --

--had a deep-rooted affection for the splendid soldier who did so --

--much for his country. Heavy were their hearts when the dreaded announcement came, that Marshal Joffre had passed on.
