(1).

TITLE.:- WRESTLING CHAMPION.

✓ Picture.:- The smaller figure is the champion. * The challenger looks big --

--enough to eat him ! It's called wrestling, but is a case of do -- ooh ! -- do as you like ! Ow ! A smash and grab affair ! The champion is "game". His --

✓ --title's at stake ! * The big 17-stoner attacks strongly, and --

--then - ouch ! - they're down, with Heluban on top ! Bang ! Head-ache stuff this ! And again, bang !

London's monkeys up ! And we slow down to show you his answer !. With a mighty effort he lifts the challenger from his feet, and "takes him for a ride." He whirls him round and round like a catherine wheel.--When he's lost all sense of location - ZONK ! *

✓ The champion's got his man, and it looks like the -- it is, the end ! * The champion had a --

--tough job, but keeps his title. He's welcome!
