

(2). TITLE.:- FROZEN NORTH.

Picture.:- The curling fraternity welcome the arctic weather, for it gives them a chance to indulge their --

✓ --love of the "rearing game". I can't tell you why they call it that, but that doesn't make it any the less enjoyable. * It's quite a game of skill, and some --

--very keen battles are fought on the rinks. Here's a stone - whoo-op ! - going down as straight as a dart, --

✓ --while sweepers make progress easy with their brooms.* Although the game is centuries old, it is played with all--

✓ --the enthusiasm of a new craze, by these hardy men of the North. * It's not so --

✓ --appealing to the youngsters, as this thrilling game ! Come on, boys ! Follow your leader. * It makes we old 'uns almost feel young again. There's plenty --

--of fun on the ice, when the arctic weather comes to Scotland.
