(4). TITLE.:- BIGGEST DAM.

✓ Picture.:- It's nearly finished. * Already 800 men have spent nine years building this 900,000-ton wall.

Its purpose is to trap the river near its source, and hold --

--the water in a big lake, which will supply the needs of people --

✓ K --in an area of 120 square miles. * It ^{is} ~~was~~ a gigantic undertaking, but it will be completed next year.

Thus Bradford won't have to worry about water any more, for 2,200,000,000 gallons --

✓ --will be here, right on its doorstep, as it were. * Hope it will be enough!
