(7). TITLE.:- QUEEN OF PARIS.

Picture.:- Here's another story about "sweet things" !... There are ten candidates for the title of "Mademoiselle Paris"..... I'm glad it isn't my job to decide the winner !

In this case the audience at the charity matinee took the risk of offending nine out of ten of these --

--charming Parisiennes; aided from the stage, by famous artists.....The voting resulted in --

--Mademoiselle Viviane Ortman being elected as "Ambasadress of the Capital" for 1931.....

She's only eighteen, - eighteen ! - I didn't think it was possible to grow anything so lovely in the time.
