TITLE:- COME ON !

Picture.:- Here's Scotland Yard, that home of criminal chasers, making its appeal for recruits for the army. ...

It's call of "Come On !", in this case, doesn't mean that a "man in blue" wants you ! ...

You're wanted to join up with boys such as these. ... They're the East Surreys on a recruiting march through Kingston, where the High Sheriff takes the salute. ... There are much worse jobs than that of Tommy Atkins, for the "Army of To-day's Alright".

We've got to "hold our end up", and these are the chaps to do it, if necessary ! Here's to you, lads !
