TITLE.:- WHAT A FALL !

X

Picture :- It's not needed any more. ... Prohibition puts an end to its usefulness ! So now it has got to go ! And here's how !

There's destruction in his eye !

As it comes to earth, the 150 foot chimney crashes into a gas cylinder which also lies in the way of progress. ... The --

--great elevator must be cleared away too. ...
Breweries are no --

--more, in the U.S.A. ...

Here she comes, tumbling faster than the cost of living ! ... Now a railroad terminus is to be built where once stood --

--giant monuments to America's big thirst ! Well, the monuments have gone !
