TITLE.:- TRADE WIND.

Picture.:- It is feared they are lost. ... Mrs. --

--Hart wanted to be the first to fly, with freight, from New York --

--to Paris. ... Full of optimism, and the --

--spirit of adventure, she and her companion, Captain--

--Maclaren prepared to "blaze the trail" of long-distance commercial aviation. ...

We're afraid the last has been seen of them. ... Two-

--venturesome young people who were bent upon demonstrating the practicability of carrying a paying cargo from America to Europe. ... There is little hope that the flyers survive. ... Would it were otherwise.
