TITLE.:- RENEWED OATH.

Picture.:- Now and again the Black Shirts are required to renew --

--their oath of allegiance to the Fascist cause. ... Here--

--their famous leader and idol repeats the oath, which is acknowledged --

--by the Black Shirts with an expressive dagger salute. ...

Then, in his usual brusque and brisk manner, Il Duce reviews the Fascisti drawn up --

--in their barrack square. ... Never was a man more sure of himself than this Napoleonic Italian !

Eight thousand men march past their leader, and its fairly safe to say that every single one of --

--them stmply worships the mighty Mussolini, who brought --

--their great organisation into being. ... There's no doubt but that he has inspired Italy with a wonderful sense of patriotism that --

is all for the good --

--of the people - including the younger generation. ("Long Live Italy" - in Italian-).
