TITLE.:- HIGH TIMES IN NEW YORK.

Picture.:- Once a year this big New York building has to have a clean-up, so they search the City --

--for a bunch of good fellows with no nerves, and no dependants, to take it on. ... They --

--rather like the job, although only a rope keeps them in it! One of these --

--human flies is over sixty years old - you'd think he --

--was old enough to know better ! ... He --

--says he's had some high old times, anyway.

One thing they like about this job is that --

--nothing can fall on them ! ... They're making a roundabout of it ! And there's only --

--a rope between them and an uncertain future.

... Let 'em have their bit of fun, the --

X

--hospitals' only about 20 floors down ! ... They're dancing --

--to fears in our eyes, --

--so we'll cut 'em off !
