(LOUD CROWD EFFECT FOR 1½ SECONDS) *then as background*

To a mighty roar, they're away! ... "Pennant Lass",
 on the rails, takes the lead and holds it for a time! ...
 She's giving way to Jack Howe! ... The favourites,
 John P. Grier and "Vexations", are lying in the middle of
 the bunch! ... Angry's fourth, coming up well! ...
 The spectators are getting value for their money this time! ...
 As they approach the bend we see that the favourites are
 badly placed! It'll be a miracle if either of them make
 a show! ... Now for the straight! ... "Angry" the
 despised 80 to 1 outsider, is well in the front row! ...
 Come on, "Angry"! Come on, boy! That's the way! Keep
 it going, boy! You'll do it! 80 to 1, think of it!
 That's the stuff to give 'em... Hold it, "Angry"!
 You're there, lad! Good! ... Angry wins by a neck! ...
