(9). TITLE:- FLYWEIGHT BOXING.

Picture:- The fight is for the Lonsdale Belt as well as the Championship.

From the bell for the first round they get straight to it, with Kirby (in white shorts) - keenly aggressive - shaking up Brown in no uncertain fashion. ... Though they're small in build, two greater optimists never entered the ring - both were sure of their ability to win. ... In --

--later rounds Brown puts in some brilliant work, almost overwhelming Kirby, who fights back as gamely as any man has yet done in the ring. ... That's great stuff ! Go it, boys ! Well done, Brown ! Those boys certainly can fight ! And the --

--crowd is getting its money's worth ! ... The fight goes the full fifteen rounds,--

--and here is the fifteenth ! ... They're both fighting just as strongly as ever, but the Birmingham boy is well down on points ! ... THE BELL, and it's all over ! Brown wins on points, but Kirby needn't be ashamed of himself, for he fought --

--as clean a fight as ever a man did ! ... Brown congratulates him ! What --

--"sports" these boys are ! ... Brown gets the Lonsdale Belt, and then --

--well, they're good friends despite the fight ! Well done, Brown ! and well done, Kirby !
