

(1). TITLE.:- DOG DAYS.

Picture.:- Nearly ten-thousand dogs in over thirteen-hundred classes go to make up this year's show. ... That means thousands of owners all believing their dogs to be best. ... What a --

--task for the judges ! (I'd rather judge a baby show !) ... However, --

--the job is done at last ! First prizes go to these three perky Poms, "Marianne", "Miss Muffet", and "Lisbeth", --

--while these snowy Samoyeds are top of their class. ...

"King Leo" and friend walk off with the principle Poodle prizes.

"Peter", he of the wagging tail, is there because he's a hero ! He rescued a boy from drowning. ... Good chap !

"Bob" saved his master, who was trying to rescue a boy from a disused pit ! ... He looks as though he got a black eye in the process !

"Moffat Treasure" stopped a runaway horse - I wonder how he saw it !

"Jack" deputized for the firemen who were a bit late. ... He actually rolled in the blaze and put it out !

The heroes are all Britishers - but other entries are from all over the world.
