

(2). TITLE.:- PAINTING THE PRESIDENT.

Picture.:- Mr. Chandor considers President Hoover to be one of --

--his best sitters. ... He says his subject's --

--chief characteristics are, kindness, --

--sincerity, and industry. ... The artist is quite --

--a young man, but general opinion is, that his --

--work shows the hand of a master. ... It certainly --

--compares very favourably with nature's very own handiwork.
