(6). TITLE.:- MIKADO'S BROTHER.

Picture.:- The pupils of the Berlin school are glad to display --

--their athletic abilities before such a distinguished visitor as Prince Takamatsu.

... This is fine fun, and good for muscular development.

... His Imperial Highness couldn't fail to be entertained by --

--this energetic tumbling by some of the girls. ... The male --

--students are pretty clever too ! ... Up ! ... Oo !

They're good enough for a vaudeville acrobatic show ! ... You've --

--heard the expression "What a neck !" When they've finished this exercise it'll be "What necks !"

Even the presence of Royalty failed --

--to disturb the balance of the girls ! ... They're well --

--trained, and - er - "Poise and Avoirdupois" - I just couldn't resist that !
