

13/1/21

(2). TITLE.:- SPRING IN HOLLAND.

Picture. :- They welcome Spring with a great show of early flowers, which is calculated to make amateur gardeners decide to give up gardening and keep chickens! ... The exhibition is opened --

--by the Dutch President of Agriculture, who expresses delight at thus --

"meeting Spring half way". ... It certainly seems that Winter has --

--got the "order of the boot", when we see these --

--beautiful flowers exhibited in such profusion. ... It made visitors --

--long to throw off their fur coats and welcome Spring--

--with opens arms. ... I think I'll slip a few extra --

--bulbs into my window boxes - and hope for the best!
