TITLE.:- LAEMMLE.

Picture.:- Twenty five years in the movies is a long time ! ... They are --

--celebrating this "milestone of time" by presenting to the great little man --

--a momento of the occasion. ... Will Hays is the spokesman. ... He hands the scroll --

--to "Uncle Carl" who passes it over to Carl Laemmle, Junior, as Mary Pickford - (who made her first pictures with Mr. Laemmle) --

--greet him. ... It's a great re-union. .. Mary still has a great --

--affection for Uncle Carl. Now she makes way for Cecil B. de Mille, the famous director. ... Then Will Rogers salutes the great little producer. ... He would have told Mr. Laemmle how much they all thought of him, but they couldn't hold up the work of the studios all day ! ... It's a red-letter day in the history of motion pictures - and the proudest day in Mr. Laemmle's life ! ... Good health to him !
