TITLE. :- WINTER AGAIN.

Picture. :- Of course, opportunists didn't miss their chance of some fun when the snow gave us a reminder that winter is not yet past.

March is supposed to "come on like a lion" - it made a mistake this year, and --

--gave a better impersonation of a polar bear! ... This is a novelty for London! ...

Hope you have a good trip - and no trip - miss! ... Hey! wait for the little feller! ... Soon we'll --

--be saying that the late winter was a late winter!

They had a good down-fall in Manchester, too! But it doesn't stay long, there! In that it's almost human! It's not the only thing that wouldn't stay long in that city!
