TITLE:- BARKERS AT BELLE VUE.

Picture:- She is not so nervous of the camera, as I am --

--or these wonderful Great Danes. ... If they're friendly,
all right - but if they're not - er !

Sexton Blake made Bloodhounds popular. ... This fellow
looks like a crook-chaser, --

--while this chap turns up his nose at everything. ...

Ooh ! here's a beauty ! Will eat anything - very fond
of children ! ...

Dalmatians ! A pair of "Spotted dogs" ! Sounds like a
public sports ground.

Ah ! Greyhounds - oh ! - very fast when they get loose !

Here they are judging the very popular Wire Haired Terriers..
What a "spot of bother" there would have been, if they could have
got free !
