TITLE.:- SUBMARINE TO POLE.

Picture. :- She's taking stores aboard, prior to the first leg of her fact-hunting trip, under the --

--watchful eyes of Sir Hubert himself. ... It's snowing hard, so --

--it won't be such a shock when he gets into the arctic regions. ... The Nautilus is going first to Brooklyn Navy Yard, --

--for formal "christening" before setting out on her great adventure. ... She is an old American submarine, refitted with many strange devices calculated to aid her --

--on her daring trip. ... Good luck to the Nautilus, and to Sir Hubert, --

--and every one of the crew. . There will be some more history --

--written when she gets back safe and sound from the top of the world !
