TITLE.:- DUKE AND DUCHESS.

Picture.:- Their Royal Highnesses are there to take part in a great charity effort by the National Union of Teachers. .... They get an enthusiastic --

--welcome as they drive through the streets of Great Yarmouth, waving acknowledgment of the cheers --

--of the tens of thousands of people lining the route. .... After having lunched at the Town Hall --

--the Duke and Duchess get a further cheery reception when they arrive at the Britannia Pier, where Her Royal Highness--

--is to receive purses on behalf of the Teachers Benevolent Fund.

The Duchess, as a preliminary to the --

--proceedings, is presented with a bouquet by shy little Margaret Crowe. ....

No less than £61,000 was received by Her Royal Highness--

--in purses of various amounts. .... A wonderful result of the efforts --

--of the school-teachers. .... Yes, there's a lot of learning under the --

--roof of the Floral Hall to-day ! .... I'm sorry to say that while --

--we were under cover, the weather changed its mind ! It's raining "cats and dogs" --

--as the Royal Visitors take their departure; but it doesn't damp Yarmouth's spirit - not .... likely !
