

(1). TITLE:- CHANGE OVER.

Picture:- It's a bit daring to take their little speed-boats out at all, when the --

--water's as cheppy as this !

But when they start "stunting"- well !

A couple of them actually change boats in mid-stream !....
They took a risk of a bath then, alright !

But the cameraman wasn't satisfied with the picture he
'shot', --

--so he got them to agree to do it all over again !

Here's how ! They're racing over the water
at thirty miles an hour ! Now, lads !
All set ? Change over ! Now watch
closely ! - - - - - done it ! - and no bath !
Perhaps it's not due till to-morrow !
