TITLE.:- RELIGIOUS RALLY.

Picture.:- Once a year the young women of this Association meet for this service.

The Bishop of Haarlem, one of the most popular of the Dutch --

--prelates, graces the gathering with his presence.

And what a gathering ! Three thousand fervent young females, all eager and anxious to sing the praise of their Maker. An extremely effective sight they are, too, within the famous old Amsterdam Stadium.

Enthusiasm is unbounded, and the arena rings with --

--their cries of joy and praise.

Then comes prayer. Thanksgiving for Heaven-bestowed blessings, and a plea for guidance in the future of all. Who could help being thrilled by the earnestness of these young people ?

As a finale to the afternoon's proceedings, the thousands of girls file past --

--their beloved Bishop. The splendid thing --

--about this magnificent rally, is that attendance was purely voluntary.
