TITLE.:- MOTOR CYCLING.

Picture.: A big crowd is there. .... Probably the fact that the prices of admission are reduced, has something to do with it.

However, they're all anxious to see the contest for the Brooklands championship,--

--and here it is! ..... The distance is eight-and-a-half miles, that's three laps! ..... A remarkable feature of the race is the way that Lacey --

--runs away from the rest at over a hundred-miles-an-hour..... Some striking speeds are registered --

--in the race. .... All goes well - er, not quite! ..... Hard luck, sir! ..... There are no bones broken, thank goodness!

Lacey's machine develops gear-box trouble, and Phillips comes along like a streak of lightning, to take the lead from him! ..... They're doing over the hundred now!

Here's Brooklands stuff at its best - Real speed!

Well done, Mister Champion-Phillips! ..... Congratulations!
