

(9). TITLE:- GREAT MET.

Pictures:- Here we are at Epsom - and all is 'set' for the big race. The weather is as bad as it can be, but who cares ?

Excitement keeps them warm even if it fails to keep them dry.

The Parade. Sixteen beauties, all intent on winning the first big --

--handicap of "summer-time", over the famous course on the downs.

They lose little time in the line-up. Only two minutes late --

--they get away ! There's not much in it for a while, but "Gulloden" settles down from "Little Blackbird" with "Ardelve", "Yarn" and "Annaly" close up, and "Summer Princess" trailing at the tail-end of them all. As they approach the bend for the open country, --

--"Little Blackbird" goes wide causing "Knight Knockeevan", with Gordon Richards "up", to run out. A tragedy for Richard's followers.

Homeward bound, round Tattenham Corner "Little Blackbird" and "Boss of the Show" have it, with "Dusty" running third.

But here comes the change. Summer Princess, on the rails challenges the leaders. See how she "pulls back" "Arctic Star" and "Dusty"! A wonderful effort ! She wins ! So "Summer Princess" --

--wins the great Spring Handicap on this most winter like day of Summer-time!!

* AND SO, FOR THE PRESENT, WE LEAVE YOU !
