

(9).

TITLE.:- WHEEL BALL.

Picture.:- Off they go ! It is calculated to keep them alert, and aid them in the quick decisions which are so invaluable on the regular football field. It gives a --

--new meaning to the expression a "round game".

There it goes ! Goal !

They're quite adept at "passing" - see here ! Hullo ! he's off !

Here's a neat little bit of play + got it "all on his own", too !

They should play soccer all the better for this training !

That's tricky ! They have to be pretty good cyclists - or- well there they are !
