TITLE.:- IN SEARCH OF BEAUTY.

Picture.:- May dew is said to be the most effective of all cosmetics. So the lasses of Edinburgh make-up their -- I beg pardon -- make --

--their way up the hillside, first to the "wishing well" -- and may their wishes all come true, bless 'em !

Tradition says, if they drink of well waters, and then bathe in the dew they will acquire that schoolgirl complexion !

I don't know why these lassies want to worry about beauty lotion, natural or out-of-a-box ! It's like gilding --

--the lily. However, they try to improve on nature, and bathe their faces in the dew of the hillside... It's a very old custom - perhaps that's why the girls of Edinburgh are so ----- why, I remember when I was in "Auld Reekie" a short while back -----er, no ! that's another story. I'll tell you about it some other time !
