Picture.:- The civic heads of a score of Yorkshire towns are here, at the invitation of the Lord Mayor of York, to take part in the annual service at the --

--Minster. The visiting Mayors are attended by their Town Clerks and mace-bearers - an imposing procession.

After the service, a great crowd of many thousands assemble to watch the troops march away.

BRING UP MILITARY BAND AS
IT NEARS CAMERA - OVER ENTIRE
SHOT, AND TAKE TO BACKGROUND ON

The whole parade lacks nothing of distinction in comparison with former years.
