TITLE.:- RUGBY LEAGUE.

Picture.:- Over forty thousand are there to see the kick-off in the classic Cup Final between Halifax and York at Wembley. Sheer brilliance marks the first minutes play of both teams, --

--York putting in some fine bursts ! Here's a beauty ! Great stuff that ! Well played, sir !

Halifax live up to their reputation for strength in the scrum. They obtain possession of the ball from a quick "heel" - and away it goes ! A York player tackles and the ball goes into touch ! Hard luck !

York has it ! A strong run ! Hold it, man ! Pass it ! Ah ! tch ! tch !

Now watch ! --- Over the "25" ----- OVER ! -- and Down !

Adams takes the kick ! --- LOVELY! ----He converts!.. Good man !

The "league" game differs from the "union" game in that instead of fifteen, there are only thirteen players a side.... Unlucky for someone ! Now for another "high spot"!..... Watch closely !

- CROWD EFFECT up -

OVER ! DOWN !

Once again Adams converts. So Halifax win, twenty-two points to eight !
