(10). TITLE.:- BIG GAME SHOOTING.

Picture.:- Jumbo aids and abets his little friend, as Snookie the chimpanzee apes the --

--monkey-tricks of a cameraman. He's a bit "fed up"--

--when Jumbo insists on putting his back into his efforts !

Some of the Universal cameramen are better --

--looking than Snookie. I shan't --

--say who "put me up" to telling you that !

The "chimp" believes that one good turn deserves --

--another, but Jumbo's turn is over ! Snookie hates the artistic temperament !

If you ever want to --

--get a job as a cameraman - well, watch how Snookie does it, and then apply ! But I should keep the taxi waiting !
