(5). TITLE. :- ROYAL AND ANCIENT GAME.

Picture. :- Here we see Arthur Havers and T. Genta (of the Argentine) before going off, --

--and here, Horton Smith with Marcus Churio, who put him out. ....

A good drive by Smith, --

--and another by his opponent. ....

E. Whitcombe put up a very good game, --

--but not so good as Turnesa, the American, who set up a record with two rounds of 69. ....

Archie Compston wanted his share of the thousand-guineas prizes, --

--but Boomer - here seen "bunkered" - had other ideas about it !

Some surprising failures are recorded - Duncan, Jolly, and Easterbrook, all Ryder Cup players, were eliminated in the qualifying test. .... That's Compston's last 'shot' in the Tournament.
