TITLE:- KENTUCKY DERBY.

Picture:- I daresay some of you heard the broadcast of this great --race when it was put "on the air" at midnight a short while back.

Well, here are the first pictures to reach this country from --

--far away Louisville. The horses are going out to the post --

--all in fine trim for the 57th Kentucky Derby.

They're off ! A dozen sleek thoroughbreds heading along the track "all out". One of them is going to "net" over 210,000 for its owner ! It's "anybody's race" for the first furlong or so.

* BRING UP CROWD AND TAKE TO BACKGROUND AT **

As they sweep round the bend "Sweep All" steps on it, and forges ahead ! I almost agree with the American chap who said "You aint never been nowhere, and you aint never seen nuthin'" till you've seen the Kentucky Derby.

(A). BRING UP CROWD AND TAKE TO BACK GROUND AT (B)

It's over one-and-a-quarter-miles - with a thrill in every yard ! "Mate" is challenging "Sweep All", but he's not giving way ! "Twenty Grand" is badly placed in the middle of the bunch. They're making fast time - a record's coming !

(BLANK).

They're lost for a few seconds behind the people !..Now, "Mate" has it, on the rails ! But watch Twenty Grand!..

(C). BRING UP CROWD AND TAKE TO BACKGROUND AT (D).

Keep it up, "Twenty Grand" ! DONE IT !

AT "DONE IT !" BRING UP CROWD TO END OF SHOT, THEN TO BACKGROUND FOR LEADING IN THE JIBBY.

So Mrs. Payne Whitney gets the right to "collect" that ten-thousand pounds. And all because this magnificent animal put in a wonderful two minutes work - incidentally breaking the record for the track !
