(1). TITLE:- ALL CLOTHES RACE.

Picture:- Their attire is not exactly the most convenient for a swimming race. .... Well, "they're all dressed up with one place --

--to go" -- into the Serpentine. .... Somebody said they'd never sink because they're too light-headed !.....

One chap appears to be afraid of sun-stroke, or perhaps he thinks it might rain !

What a haul for an "old clothes man" after the race !.... There's a cup at the end - and a glass or two, I expect !

Of course, it's usual for somebody to be declared the winner of a race - and, ah ! another little dip won't do him any harm !

Yes, there really is a cup ! .... And now, if he's wise he'll get those trousers dry and ironed before his brother gets home - or there'll be such a row !
