TITLE :- DONKEY DERBY.

Picture :- You may not believe it, but the big race has started !

They come dashing along in true "moke" style, with "Jenny" leading "the field". Her owner has promised her a nice bunch of carrots if she wins ! Come on, "Neddy" ! You'll miss the last bus !

Here's the finish with "Jenny" just snatching victory from "Garside" by a neck !

All good winners are led in by the owner - as you see !

The crowd don't appear to be rushing the bookmakers, perhaps they don't know it's over !
