TITLE.:- TO FLY THE ATLANTIC ?

Picture.:- Well, she's not lacking in daring ! .....  
It is Miss Nichols' intention to --

--attempt to "hop" the Atlantic in true Lindbergh style. ....  
Hope it's not as rough as it appears to be here ! .....  
Here the --

--plucky airwoman is testing her trusty little plane. ....  
You can't be --

--too sure about things on such an adventure as this ! .....  
Personally, I should want at least half a dozen certificates  
of airworthiness, and then - I should cross in an ocean liner !..  
Nevertheless, we must admire pluck ! ..... Good luck,  
Miss Nichols !
