TITLE :- ITALY HONOURS.

Picture :- His Excellency was one of the first to applaud the success of the big Italian trans-Atlantic flight in January. .... His pleasure --

--was, however, tempered by the knowledge that the deed was not accomplished --

--without loss of life. .... Signor Mussolini attends the Ceremony of Commemoration to the five aviators --

--who lost their lives in the great project. .... The scene is the Aviation Field of Centocella --

--in Rome. .... With Signor Mussolini is General Balbo, the Italian Air Minister, who led the adventure. .... A worthy successor to his famous compatriot Christopher Columbus, who crossed the ocean over 400 years ago !

Other high civil and military authorities of many nations, attend the ceremony --

--which closes with the Fascist salute to the dead by the Premier.
