TITLE.:- KING'S SHIELD.

Picture.:- They deserve their success, for they averaged 98.1. in the --

--Musketry tests. The fact that the Prince is to present the Shield is deeply appreciated by all.

They are a smart lot, and are to be congratulated on being the first military unit --

--to win the trophy since 1920.

Take it, Sir ! And be proud of the lads who have shot their way to this very great honour !

Silver badges go to the individuals, one having scored a maximum of 100 points !

Sixty units completed the Test, the Deal Royal Marine Cadets running the Monmouthshire lads a very close second.

Another graceful act performed, His Royal Highness has to hurry away to further --

--duties, leaving the Cadets in proud possession of their great --

--prize, His Majesty the King's Shield.
