TITLE.:- ASCOT.

Picture.:- The arrival of Their Majesties through the Golden Gates is the signal for the opening of this really Royal Ascot.

Everyone is delighted at the fine weather which makes the picturesque Royal --

--Procession possible. .... A glorious sight it is, too, as the cavalcade passes down the new --

--mile on the way to the grand-stand. ....

I'm sure everyone will join in wishing His Majesty a continuance of good health. ....

A gay crowd gives the Royal party a warm and loyal reception. ....

Dress designers have been hard at it for months to turn out the creations worn by the elite on the world-famous --

--lawns. .... It wouldn't be Ascot without the "last word" --

--in feminine fashions. .... Isn't it funny how the ladies always have the last word ?

It's a grand setting for a social carnival. .... Hard to beat anywhere else in the world !

And now that Their Majesties are present, all is ready for the racing.

Oh, yes ! there are races ! It's not only a fashion parade !

They're off !, for the Queen Anne Stakes ! Over the route just covered by the Royal Procession --

--Coldstream, on the rails, makes a beautiful effort, with Osiris challenging strongly. .... There's not much in it. ....

Coldstream keeps the lead to win by a short head ! A great race at a great place !
