TITLE.:- QUEEN OF HOLLAND.

Picture.:- Queen Wilhelmina is visiting Paris especially to see the French "Wembley" at Vincennes, This --

--is a sure sign that it has created considerable interest abroad. .... Her Majesty is afforded a great welcome on arriving at the Exhibition, accompanied by Princess Juliana, who is visiting Paris for the first time in her life. .... She must certainly be very impressed with --

--what she has seen, for the Royal stay has been lengthened at her request. .... The Dutch pavilion is said to be one of the best --

--contributions to the whole show. .... Rather surprising considering Holland is one of the smallest countries in Europe. .... The --

--Royal Tour of the exhibition is longer than usual, as the visitors take their own time. ....

After a long and very interesting day the Queen leaves for Chevreuse, well contented with her country's exhibit.
