TITLE:- HIGHLAND GAMES.

Picture:- The Games are in full swing - and so are the hammer-throwers. That's pretty good !

Sit tight ! It won't come your way ! There you are ! A very excellent throw, --

--with Clark of Dundee carrying off the honours.

Eighty youngsters enter for the Highland Fling contests, tripping the light fantastic to the skirl o'th'pipes, --

--and leading Scottish professionals give exhibitions of sword dancing.

Here's how it's done ! Try it yourselves - it's good for "breaking in" new shoes !

And now, Tossing the Caber ! I didn't catch what he said !

It has to go right over, away from the tosser. Like this !Ah ! A near thing for our cameramen !

All the bag-pipes in the world - or so it seems - join in the grand final parade.
