TITLE.:- CARPETS OF BLOSSOMS.

Picture.:- Gorgeous pictures - all composed of beautiful blooms gleaned from the gardens, fields, and hedgerows of the little --

--town. Artistic hands cleverly fashion them into marvellous patterns, carpeting the streets --

--with designs which would almost make Kidderminster look to its laurels - I --

--mean carpets ! It's their way of celebrating the festival of the local --

--patron saint, and a very picturesque and effective way it is, too. I hope --

--there are no dogs in this town, for if I knew anything about dogs, --

--they'd undo all the good work that's been done, in less time than it takes to tell !
