TITLE:- QUADRUPLTS.

Picture:- The Doctor brought an extra big bag to this house.

Riota, Mary, Mona and Roberta all came in the same one. So the family --

--is able to economise on birthdays. They are sixteen to-day and everyone congratulates them.

No wonder the family album tickles them. Sweet little things - all --

--exact copies of each other.

Still it's a very --

--good pattern. Congratulations to you Riota, Mary, Mona and Roberta and pa and ma !
