FADE DOWN FOR CLOSE-UP
OF VISCOUNT ALLENBY.

Viscount Allenby takes the salute !

FADE BAND UP AGAIN & FADE OUT
AT END OF MARCH PAST.

Don't stand on ceremony !! Join the Army and stand on a horse !

Viscount Allenby enjoys this item of the 17th --

--Field Brigade of Royal Artillery. Hauling guns doesn't spoil them - (Look at that fellow !) for more spectacular tricks of a less serious nature.

A simple way of mounting a horse ! A run ! A jump !
And there you are ! Saves time and labour !

The staff of H.M.S. Ganges do --

--a turn and another one ! Handy aren't they ?

They look at the world from a different angle !
Hallo ! Unrehearsed effect, I think !

The audience rather likes it --

--and they now see a neat but rather complicated way of sitting on a chair - I like my way best !

Here's a rhythmic sample of the "daily dozen" as carried out by the Shotley Barracks boys !

It's a great moment when Viscount Allenby compliments them in person !

And there is no doubt it has been a great day for Ipswich !
