(2). TITLE.:- LIFE-BOAT LAUNCHING.

Picture.

(HYMN OVER FIRST THREE SHOTS.)

Prince George christens the newest type of motor life-boat, the "Cecil & Lilian Philpot", who presented it to the Institution. Earl Howe is on the of Prince George. -- Smash ! --

Er - should go the bottle, but doesn't. Another --
--try -- well, I never ! Third time lucky ! And --
--the bubbly behaves !

The Prince goes down to the sea in slips. The boat has accommodation for over one hundred passengers and a cruising radius --

--of one hundred and twenty miles. Newhaven should be happy in possessing such an up-to-date craft for saving the lives of "these in peril on the sea".
