

(6). TITLE:- WHO'S HOT ?

Picture:- No, there's not a fire ! Just a hot day that's all ! So this kind gardener --

--turns his hose into a showerbath--

--for the benefit of the kiddies. They don't mind being washed --

--in this weather. Well, not very much ! But --

--too much of a good thing is too much ! They play ring-a-ring-a--

--hoses - all fall down ! No, only two of them. But at --

--the finish they decide to take it lying down. This --

--is better than the bath tub. There's no --

--soap to get into a fellow's eyes.

Fancy this big baby belting. Won't stay even for a --

--lady ! It's a good job he can't say what he's thinking.
