

(7). TITLE.:- WOOLWICH HORSE SHOW.

2. JPP 221

Picture.:- At the Woolwich Military Display, the Royal Artillery--

--have a real field day. The Musical Drive by the 75th Field Battery is one of the outstanding events of the show. This battery--

--has a wonderful record, having been formed in 1871,--

--and gained great distinction and honours on fields of battle, in many --

--parts of the world. The Field --

--Artillery Drive shows both the guns --

--and the full dress of 1914. Evolutions are carried out "according to plan". (Vide War Office charts).

Well, a little praise always helps.

And now the start of the V.C. race.

The competitors liberate beleaguered comrades from an enclosure, pick them up, and ride back to safety with them. They are --

--how rescuing the men from their supposed perilous position, racing back over the --

--obstacles and gaining the finishing post.

The expression on these three faces tells you they won.
