

(2).

TITLE. :- MANCHESTER WHEELERS.

WHISTLE FOR "GET READY !" IMMEDIATELY AT  
OPENING FOLLOWED BY SHOT FOR "OFF".

Fifteen of them, all wanting that Cup ! .....  
The one who gets it ---

--has got to put up a very good performance, for there  
are some crack Continental riders here who have covetous  
intentions towards it, too. .... Wylde and Woods make the  
pace --

--to the satisfaction of the crowd. ....

The French and Danish riders do not show up very  
brilliantly, and British supremacy is never --

--seriously challenged. ....The last lap and finish ! -  
with Chambers and Horn struggling hard for mastery. ....  
Good work, you chaps ! ..... Horn has it ! ..... A  
splendid race indeed ! .....

The Cup's yours sir ! ..... That final burst of  
speed was a "world beater" !
